**Journey with us to the Beautiful Last Great Frontier--ALASKA.** We are starting the Alaska Caravan at Great Falls, Montana, on 17 June, and ending in Washington state on 23 August 2012. It will be a 67 day trip. Care will be taken to spend as much time in Alaska (32 days) as possible, but remember there is a lot of road through Canada, which is also very scenic. The Caravan will travel up the east side of the Rocky Mountains through Banff, beautiful Lake Louise and Jasper, Alberta, Canada stopping by the Columbia Ice Fields along the way. We'll start the Alaska Highway at Dawson Creek, traveling on to Fort Nelson in British Columbia, and then into the Yukon Territory through Watson Lake, Whitehorse, and Teslin. In Alaska we will spend time at Skagway, Valdez, Anchorage, Homer on the Kenai Peninsula, Denali National Park, Fairbanks and North Pole Alaska. We'll be traveling the Top of the World Highway to Dawson City, Yukon, return to Whitehorse, and then down the Cassier Highway to Jade City BC and Stewart/ Hyder, ending in Washington USA.

Plans are being made to have meals at local restaurants, group pot luck dinners, supersized cinnamon buns, cruises to some of the glacier's, shows, and tours of local city areas to local sites. A great time is being planned for everyone to really enjoy themselves, and really get to see Alaska and beautiful Canada. Travel days are planned to be short in mileage, most are less than 200 miles so you can stop and enjoy the sights along the way.

You will receive a Mile Post Magazine and an Alaska Discount Coupon Book for each RV unit to save on costs with 2 for 1 prices for a number of planned activities. You will be given Caravan jackets and other mementos for each caravan member

There will be 33 camp ground stops with lots of activities, personal leisure days, and down time. Get your camera skills ready to capture mountains, glaciers, bears, moose, caribou, salmon and other fantastic sites on this once in a lifetime caravan. We need your reservation by 20 March 2012 to ensure we have enough participants to make this caravan GO. You can sign up your non-SMART friends. This is a very popular Caravan and is Limited to 20 RV's. Send in your applications early and get your passports ASAP. **SEND \$260 deposit with application. Payment Schedule, IF AVAILABLE, will be included with your Acknowledgment Letter.**
