Identity Theft Protection

The nightmare of identity theft affected millions of Americans last year. The cost of identity theft losses to businesses and financial institutions and consumer victims topped \$50 million last year alone. The emotional cost to consumer victims cannot be calculated.

Escapees Mail Service has made arrangements for its annual mail service subscribers in all categories to be covered under the St. Paul Travelers Identity Fraud Expense Reimbursement Master Policy. The Escapees plan provides every annual mail service subscriber with a \$25,000 limit, zero-deductible policy at no cost.

Pharmacy Prescription Discount & Delivery Plan

Escapees RV Club partnered with Brookshire Brothers Pharmacy (Livingston, TX) to provide a one-of-a-kind hometown pharmacy discount and prescription delivery plan especially designed to meet the needs of Escapees RV Club mail service members.

The Escapees Preferred Customer Card (EPCC) offers significant savings on prescriptions purchased from Brookshire Brothers Pharmacy. You may order your prescriptions by phone, fax, or email and your order will be hand-delivered to Escapees Mail Service for forwarding.

This is not a prescription insurance program. This is a program for prescription discounts and delivery. Call 866-727-8449 to set up your prescription discount and delivery account.

Managing Your Mail Service Account

Renew and manage your mail service account online through the secure MYSKP members-only area on www.escapees.com. You can change your forwarding address instructions, select a mail-forwarding carrier (USPS, UPS, FedEx), increase your postage balance, and renew your mail service membership. You can also make arrangements to auto-pay your membership or your postage balance. This is mail service done your way!

Email Notifications

If you use email, it is important that we have your correct email address on file. When you request a mail delivery, we will send you an email to let you know either that there was no mail to forward, or that we did forward mail to the address you provided and the cost of that mailing. Moreover, when your postage balance is below the \$25 minimum, we'll send you an email to remind you that it's time to increase the balance.
